

## Kentucky Real Estate Promissor, Inc. (formerly ASI) Assessment Centers and Schedule of Examinations as of September 1, 2002

**For all applicants scheduling an exam on and after July 1, 2001:** In order to make an exam reservation, you must have had your fingerprints taken and submitted the necessary documents and fees to the FBI for the Criminal Background Check. If you have not completed this step, you will not be able to register for an examination. See "Criminal Background Check--Required July 1, 2001" in the License Information Section.

**For all broker applicants on and after September 1, 2002:** Any person registering for the broker's examination to be held on or after September 1, 2002, will not be permitted to make a test reservation unless they have completed a brokerage management course. If a candidate takes the broker's examination after this date for whatever reason and it is later discovered that he/she had not completed this course, then the candidate is not eligible for a license, and the test scores will be voided. For more detailed information on this requirement, see "Broker Management Course" in the Education Information Section.

Please call Promissor (formerly ASI) at 1-800-274-5629 for reservations at least three days prior to desired test date. Please bring the following with you to the test center:

1. Two (2) forms of identification, one of which must be photo-bearing.
2. Your failing score report (if applicable).
3. Confirmation number provided to you by the testing service when the reservation was made.
4. Two sharpened pencils.

The examination fees must be paid at the time of reservations by credit card, debit card, voucher or electronic check.

Specific directions to all test centers will be given when you call to make an examination reservation.
